# UV-C disinfection for sensitive surfaces

## PROsens H

Say goodbye to viruses, bacteria and fungi. UV-C light makes germs on all surfaces harmless. Simply place the object to be disinfected in the PROsens H and press the start button.

Experience how good it feels to be safe.

- ✔ **The power of UV light.**  
The PROsens H disinfects sensitive surfaces with UV-C light with total reliability. Its effectiveness has been clinically tested and proven.
- ✔ **Protect your future.**  
The PROsens H is effective against new germs too – and safeguards your company.
- ✔ **Just as you choose.**  
The PROsens H is flexible and meets individual requirements. You get exactly what you need.

PROsens series

Stationary UV-C light disinfection for sensitive surfaces and materials

## Functional description

UV-C light is short-wave and loaded with energy.

Used selectively, it destroys the DNA - i.e. the genetic information - of viruses, bacteria and other germs. This prevents the reproduction of pathogens and thus

renders them harmless. Did you know? The sun also emits UV-C light. Because of the ozone layer, however, it does not reach the earth's surface.

## Features

Environmentally friendly disinfection. Free of Chemicals and ozone.

Fully automatic operation with fail-safe function

Classified as a medical device (class I)

## Technical data

Enclosure material	Stainless steel
External dimensions	Length: 265 mm, width: 285 mm, height: 135 mm
Net interior height of insert	90 mm
Exterior color	Graphite gray
Interior color	Silver (Aluminium)
Total weight	4,9 kg
Ambient temperature, operation	+5 to +45°C
Opening	Top hinge
Electrical connection	230 V AC voltage, 50 Hz
Electrical connection power rating	30 W
UV-C-wavelength	254 nm (disinfecting, min. log level 3; 99.9%)
Disinfection cycle duration	60 seconds
Disinfection capacity	> 500 Joule/m <sup>2</sup>
Safety	Door opening safety stop.
Miscellaneous	Preset timer and start button; Illuminant service life > 9.000 h

Made in Germany; CE; EMC Directive 2014/30/EU; Low Voltage Directive 2014/35/EU; RoHS 2 Directive 2011/65/EU; Photobiological Safety EN 62471; Protection class IP20.

On request, you can receive the PROsens H with your logo.

We'll always be glad to help you!
